DEDICATION

We, the class of 1951, proudly dedicate this yearbook to Mr. Frederick Wolner. Mr. Wolner, as advisor for the White Pine for three years, will realize that this is the greatest honor we, as the staff, are able to bestow upon him.

We will always remember Mr. Wolner for his sense of humor, his intelligence, but most of all for his patience and understanding. As a commercial instructor for three years, Mr. Wolner has taught many of us the fundamentals of business. Now, as assistant principal of Cloquet High School, Mr. Wolner will stand out in our many memories for his wise guidance. Through this small tribute we hope to show our gratitude to Mr. Wolner.

IN MEMORIAM

Van Hubbell

Our little systems have their day;
They have their day and cease to be:
They are but broken light of thee,
And thou, O Lord, Art more than they.

We have but faith: We cannot know;
For knowledge is of things we see;
And yet we trust it comes from thee,
A beam in darkness; let it grow.

So many worlds, so much to do
So little done, such things to be,
How know I what bad need of thee,
For thou wert strong as thou wert true?

A SUCCESS STORY

Once, in the high school that stands in Cloquet,
The students were happy, the teachers were gay.
But alas and alack came a fateful May day
When it was announced that they all could not stay.

Students and teachers, though hurt to the core,
Braced themselves bravely for what was in store.
Then they gave some diplomas, and sent some to war,
And let the rest stay around to study some more.

But terrible thoughts worried those that had stayed,
"Were their friends taken care of? Had they debts to be paid?"

No need to have worried, their plans carefully made,
Had turned out far better than anyone prayed.

For Dr. Dave Larson, such a great man as he,
A Nobel Prize winner was just bound to be.
And ye citizens all, fear not for your safety,
For we've Admiral Frets at the head of our navy!

That million dollar race horse, Jeffrey's Thane,
Has brought nothing but wealth to his dear mistress, Jane.
And speaking of money brought in without pain,
I hear Kenny Olson's inherited again.

Our pal, Tony, 'though embalming's his trade,
Has revived "Love Sick Blues" with the record he made.
And dashing Frank Asplund, a gallant young blade,
Has grown four more inches and is truly dismayed.

Need a good seamstress? Just go to the top
Of the Kenelworth Building to Ruby J's shop.
Or, if you're in need of brush, broom, or mop,
Just call "Fuller Brush" and Art Johnson will stop.

It's rumored that Bev Parks, famed founder and head
Of the Nat'l. Bachlorettes, has been secretly wed,
So Kathleen Hewitt left her air port (no shed!)
To lead the ladies in friend Beverly's stead.

At the concert piano it's a well proven fact,
Clara has all the talent the rest of us lacked.
But don't be discouraged if you're minus some tact,
The Helstrom Charm School will soon fix that.

Art Poehls can make a plane engine that literally purrs
But he still comes home from hunting covered with burrs.
Dianne and Lotus, as it occurs,
Both live in Alaska but won't button their furs.

A few of the kids joined a top name band,
Now Critzer, Kolodge, and Risdon are the best in the land.
If you've written any lit. that you think is grand,
Editor Walker may use it in her GRAINS OF SAND.

Duke and BoBo, a couple well known trophy takers,
Are playing basketball now with the Minneapolis Lakers.
If we said none were married we'd be terrible fakers,
'Cause Elaine, Clarice, and Ona are swell home-makers!

You've all heard of Port's Petrol Products, I'm sure,
But did you all know that Chet makes them pure?
If nurse Bonnie Rae gets a case she can't cure
She calls in DeDe, Lois J., or Barb. E. to help her.

Bob Bromme, when young, all the girls did pursue,
Now he's head coach at the U. of Purdue.
Marlene Gayle Shipman, with eyes bright and blue,
Is home like we all should be, making a stew.

As far as competent secretaries go—
The girls from Cloquet are the best, you know.
Pat Larson and Nan Peterson never feel low,
And Betty Johnson and Donna Huard make piles of dough.

Two grocery men now are Charon and Vnuk,
If you buy your meats there you'll never be rook'd.
She's married now, but little Lee Cook
Still needs a ladder to get a good look.

Ken Wisneski built a rocket to visit the stars.
He hasn't been heard of since he took off for Mars.
Right here on earth "Jolly Joe" Demers
Is a dealer in used rockets, saucers, and cars.

Faye Christenson, whom you've all heard of I know,
Is featured on THRILL, the big radio show.
Pat Polvi can tell you, when you're feeling low,
That the life of a teacher holds plenty of woe.

Rev. Lenard Nelson, a good and righteous man,
Is serving a parish in Afghanistan.
Think you could teach a boy to make a wooden fan?
Prof. Arnie Sunnarborg's quite certain he can.

'Though Hollywood calls, Bob Hanson won't sway.
His acting is strictly for good old Broadway.
Bob has a friend, whom you all know as Ray.
He's a missionary up on cold Hudson Bay.

Of all the kids who left school that day,
Dayton was the one with the most to say.
He worked hard and long and struggled away,
And now he's Attorney General of the U.S.A.

Marion Hunter has chosen as her career
Filling kids with knowledge way up to here.
If you need a friend (Line forms at the rear!)
"Halvy" is still a good name to hear.

The rest of the guys and gals who left Cloquet
That long ago day are also doing O.K.
So as a final wish to them, let's say,
We hope they always stay that way!

NOTE: You may not care much for this poem,
Don't check it with a fine tooth comb!
But we thought while returning to Hawaii from Rome,
It'd make a good story to send back home!

"C" SQUAD BASKETBALL

The "C" squad basketball team, coached by Mr. Lake, finished the 1951 season with a good record of six wins and two losses. With big Hank DeRusha setting the pace, the future is bright for these sons of Cloquet High, for they will all be back next year to play basketball.

This year's team had a tough schedule in playing 19 games, winning 9 and losing 10.

Some of the teams that Cloquet played out of the district were Hibbing and Chisholm, the power houses of the range. The team defeated Chisholm in our gym but were outclassed by a larger and more experienced Hibbing team on their own floor.

Cloquet finished third in the Big Six and seventh in the Little Big Ten. In the District 26 Tournament Cloquet drew Two Harbors in the first round. Cloquet easily defeated Two Harbors 51 to 35. Next Cloquet met Proctor. Proctor was supposed to defeat Cloquet rather easily but after the smoke had cleared Cloquet had forced Proctor into an overtime before Proctor finally won the game 35 to 33.

Cloquet High is very proud of their basketball team and of their fine coach, Mr. Pergol, who did so much in making the season a success.

FOOTBALL

Playing their first season under the direction of Coach "Chic" Oist, the 1950 edition of the Lumberjacks enjoyed a highly successful year.

Combining a deceptive running game with a potent pressing attack, the Jacks split even in eight games. Three of the losses were by the narrow margin of one touchdown or less and with a few breaks could have gone our way.

This outfit was one of Cloquet's best, consisting of a rugged line and well balanced backfield. Sorely missed next season will be no less than nine seniors who made up the first squad.

HOMECOMING DANCE

The story of Cinderella came to life as co-captain Ronnie Johnson knelt before Janet Helstrom and placed the magic slipper on her foot. Upon doing this he proclaimed her queen of the Lumberjacks for the 1951 homecoming celebration. The four girls honored as her attendants were; Bonnie Rae Cole, Geraldine Anderson, Donna Huard, and Lois Johnson.

That evening, during the half of the Cloquet vs. Morgan Park basketball game, Janet was crowned queen in a very impressive ceremony.

The Homecoming celebration was brought to a close by a dance at the Civic Center, following the game.

The Cloquet High School baseball season was shortened considerably by a new law that the state passed concerning high school baseball. It stated that the season would have to be cut so that there would be plenty of time to have the district, regional, and state tournaments.

Cloquet played only three high school games all season, winning two and losing the other. The two victories were over Floodwood and the one loss was to a strong Duluth Central team by the score of 8 to 3. This was one of the first games in the district and it eliminated Cloquet from further play.

Cloquet will lose two fine players this next summer because of graduation. These two boys, Gene Hobbs and captain Harry Eklund, will be sorely missed by both coach and team mates.

By taking championships in both the district and state meets, the ski version of the Lumberjacks finally broke a seven year jinx held over them by the Duluth Central Trojans. Completely outclassing the field in team points by capturing firsts in slalom and cross country in both meets, and finishing second in jumping in the district, and fourth in the state; the Jacks won easily, bringing home with them the long coveted trophies.

Leading the performers on the slabs were Frank Richter, who took first and second place in the state in slalom and cross country respectively, and Bob Olson who placed second in jumping.

An encouraging fact concerning this team is that only two of its members will be lost by graduation, thus leaving Cloquet a strong nucleus in its quest for a repeat performance.

Gymnastics ranks highly among the sports of thrills and spills. The boys on this team excel in physical ability and teamwork as is shown in their daring stunts. Team members have also participated in pep programs and they can provide good entertainment wherever they are.

GOLF

Cloquet had a very successful season in golf. Gerald LeBreche finished second in both district and regional play. Then he went to the state where he finished 14th in a field of forty.

The team placed third in the district 26 team honors. Cloquet golfers have practiced faithfully on the golf course to participate in all their meets.

The '50-'51 net team had one of their best seasons under the capable direction of Coach Angelo Pergol.

The Lumberjack team entered the District 26 meet in Duluth and came out second. Girls doubles, Martha Kolodge and Janet Halverson, came out undefeated in their class, and Stuart Benson lost to last year's state champions.

The students played many of the range towns during the last summer. We defeated Chisholm three times, Eveleth once, and tied Gilbert. Return matches were scheduled with Eveleth, Chisholm and Gilbert at the end of the tennis season.

Exchanged tennis matches have built up a wonderful relationship with students of other schools, and observing the range schools has promoted a bigger interest in other towns.

The team secures points towards their letters by attending the summer sessions and also attending the out of town meets. Some of this year's lettermen are Bob Bromme, Marion Hunter, Martha Kolodge, Janet Halverson, and Stuart Benson.

The 1950 edition of the Cloquet track team was greatly hampered by the weather last season, and the result was the postponing of two meets in Hibbing and Eveleth. However, the Jacks were able to participate in two meets, one at Duluth in which no points were recorded and the District Meet held in Cloquet in which they successfully defended their crown.

Although the team lost several capable performers of this squad, the outlook for this year's team is promising with quite a number of lettermen returning.

All during the school year the White Pine staff and its adviser, Mr. Kuntz, have been busy working to make this annual a success. From the time they began with the soliciting of the town merchants and the student subscription drive until the final flurry of fitting pictures and articles on the pages, they never lacked for something to do. Although there were times when various members of the staff worried the co-editors by not getting their assignments in on time, they did, as a rule, work together and try, to the best of their ability, to make this annual one you can be proud of.

During the first part of the school year, some of the members with Mr. Gillespie as adviser, attended the Minnesota High School Press Convention held in Minneapolis where they won extremely favorable recognition for their efforts. The Pine Needle's front page, sport page, and editorial page all took first place in their divisions. Some of Betti Kuusisto's poetry received second place. The Pine Needle is a school paper of which we all can be proud!

Membership in the National Honor Society is one of the highest honors conferred upon high school students. Only those who stand in the upper quarter of their class are eligible for membership.

The four cardinal principles of the society are scholarship, leadership, character, and service. The members are selected by a faculty board on the basis of these characteristics.

The Cloquet Chapter of the National Honor Society has as its adviser Miss Georgiana Sanford. Members are chosen from the junior and senior classes, and are inducted with a very impressive ceremony before the entire student body.

This year the Seniors chose as their major play production, Hartzel Spence's well known comedy **One Foot In Heaven**. Expertly directed by our speech teacher, Miss Lauterbach, the play was one of the high-lights of the year. The plot is made up of a series of episodes in the lives of Reverend Spence, a small town minister, and his family. Intolerance, domineering donators, and petty squabbles among the women of the church, are just a few of the situations Reverend Spence had to contend with. Playing for capacity audiences, this production was considered a great success.

To most of us, twelve children would seem like quite a crowd, but not to Frank and Lillian Gilbreth. They had planned on them. The story tells the trials of the Gilbreth girls because Dad didn't agree with the styles and the fads of the "twenties". Also, since Dad and Mother were motion study experts and the children were often unwilling guinea pigs for many of their projects. Miss Lauterbach, capable as always, directed CHEAPER BY THE DOZEN, a play which all of us thoroughly enjoyed.

They also participated in a kick-off tourney at Denfeld, the Cloquet Invitational Debate Tournament, and the Regional Speech Clinic at Denfeld early in the season.

The speech department directed by Miss Lauterbach, Miss Sullivan, and Miss Sanderson gained recognition this year through their successful exhibitions. Speech clinics were held at Duluth Denfeld on January 20 and Cloquet on February 17.

The district meet took place on March 8 at Duluth Central. Sixteen students from Cloquet were entered in the meet. Of these, eight went to the finals. Ruth Norberg, Dayton Johnson, Faye Christenson, Ruth Walker, and Connie Hoyt, won the right to enter the regional meet held in Cloquet on March 31.

Organized last year, Thespian Troupe 303 is now hard at work under the sponsorship of Miss Lauterbach. Thespians is a non-secret, non-social society in secondary schools devoted to the advancement of Dramatic arts. Membership is awarded to students who have shown promise in the field of dramatics, and who have earned at least ten merit points on the basis of service. Points are earned for participation in plays, and assistance with plays backstage, on programs, business, costumes, or make-up.

NATIONAL FORENSIC LEAGUE

The National Forensic League is an honorary speech organization. In order to become a member, students must earn at least twenty points by participating in speech meets or other public speaking.

The highlight of the year was the annual Spring Banquet when the new members were inducted.

Presiding officers of the organization are Janell Berset, President, and Kathleen Hewitt, Secretary.

BAND

Undoubtedly the classiest band in this area is our own Cloquet High School Band, directed by Mr. Jack Sampson. Not only is the music they create something special, but their snappy marching is the envy of many other marching bands.

Last summer, they were invited to play on different occasions at Grand Rapids, Ironwood, Michigan, and the Minneapolis Aquatennial besides many home appearances.

During the school year the band marched at several football and basketball games including the District 26 tournament, and gave an exchange concert with Greenway High School. They appeared at the District Music Festival in Duluth and gave their own Spring Concert for our community.

ORCHESTRA

The Cloquet High School Orchestra has had a very successful season, although they have not made many appearances. The orchestra under the direction of Mr. Jack Sampson, shared honors with the band in their annual Spring Concert and at the District 26 Music Festival at Duluth on April 4. They also played for commencement exercises at the graduation of the 1951 senior class.

We should all be very proud of the orchestra because it is very unusual for a school of our size to maintain a successful and prominent organization such as this.

El club espanol with its adviser, Mr. Hoyer, has completed another very successful year. The organization, which was established in Cloquet by Miss Spraitz, serves to acquaint its members with Latin American culture, customs, music, literature, and dances. All students who take Spanish are eligible for membership in the club.

The members celebrated "la fiesta de Navidad" in traditional style, with a fiesta, complete with a pinata. Throughout the year, various lesser fiestas were held. Highlighting the club's social season was a meeting at which Miss Rich, Spanish teacher from Denfeld, spoke. She has traveled widely in Central America and her gay mood helped emphasize the importance of the slides and souvenirs which she had brought from the countries.

Officers are Frank Asplund, President; Karola Nelson, Vice President; Geraldine Anderson, Secretary; Lee Ann McDougal, Treasurer. The executive committee members are: Margaret Becklund, Marion Hunter, and Lois Johnson.

The four head Majorettes and Baton Corps, under the capable direction of Miss Valjean Tomaseski, added the necessary color whenever needed throughout the year. These two groups made the coronation ceremony at Homecoming even more impressive.

At the District 26 Basketball Tournament in Duluth, the Majorettes and Baton Corps assisted the band in its snappy maneuvers.

The leader of the Majorettes for the year was Donna Fagre.

VOCATIONAL TRAINING

Roy Charon

T. Micke,

The students enrolled in the Part-Time Vocational Training Program receive instructions and experience in trades and other occupations in actual shop or business situations under the guidance of skilled personnel. This coordinated program, which is carried on through the cooperation of the school, local business, and industry makes it possible to offer this training. Most of the boys have received training in skilled trades, while the girls have been trained as stenographers and in other office clerical positions.

Mr. Chinnock, as Vocational Coordinator, is responsible for the addition of this program of training.

Cloquet High School, thy sons of the north sing thy praise,
Loud the chorus floats, high peals the sound;
The pines roll it back and the hills echo far,
Our praises sincere and profound.

Oh, long may you live and may Fortune be kind;
Live thy greatness and far spread thy fame,
When we of today are forgotten and gone;
Our voices will loud praise thy name.

Chorus

Our dear Cloquet High, we'll honor till we die,
In all that we do, we'll be loyal and true
To our dear Cloquet High.
Oh, Purple and White, thy colors we'll keep bright
And stand for those colors wherever unfurled,
Three cheers for the Purple and White.
